

# GJEPC hosts export-oriented show for International Buyers

Mumbai, Jan 19: The Gem & Jewellery Export Promotion Council (GJEPC), in its endeavour to boost export business and to revive the market sentiments post Covid , inaugurated the first ever International Gem & Jewellery Show (e-IGJS) in the presence of Chief Guest Hardeep Singh Puri, Hon'ble Minister of State for Commerce and Industry, and Guest of Honour Suresh Kumar, Joint Secretary, Ministry of Commerce & Industry, along with Colin Shah, Chairman, GJEPC; Mr. Vipul Shah, Vice Chairman, GJEPC; Dilip Shah, Convener, International Exhibitions, GJEPC; Sabyasachi Ray, ED, GJEPC amongst others. The show will be held from 18th to 22nd January, 2021 virtually. The e-IGJS is an exclusive export-oriented show, curated to meet

the needs of International Buyers. 100 handpicked Gem & Jewellery manufacturers from India are showcasing the varied product range from Diamond Jewellery, Coloured stone Jewellery, Plain gold, silver, platinum to loose gemstones and diamonds to over 500 + buyers registered from 56 countries. Addressing the trade at the inauguration ceremony of e-IGJS, Chief Guest Hardeep Singh Puri, Hon'ble Minister of State for Commerce and Industry said, "Today, India is one of the fastest growing global economies. An educated and young workforce, a large capital market, and business-friendly ecosystem are some of the key factors that encourage foreign investment and support it in India. India's gems and jewellery sector has been contributing in a

big way to the country's foreign exchange earnings. Government has viewed this sector as a thrust area for export promotion, and therefore allows 100% foreign direct investment in this sector through the automatic route. "COVID-19 has dramatically changed the economic landscape. e-IGJS and virtual initiatives of GJEPC are aligned to the mission of Digital India and Aatmanirbhar Bharat, the dream of our Prime Minister Shri Narendra Modi. e-IGJS, an International trade show for Gems & jewellery is organised at an ideal time, as demand from all major markets such as the USA, China, Hong Kong, Middle East is now picking up. The rollout of vaccines against the dreaded virus has already started in India, and the world, and we expect

things will be like normal very soon. However, the digital medium which we have witnessed like never before, is going to stay as a new way of doing business." "Today with USD35 billion exports of gem and jewellery annually, India is one of the largest exporters in the world, and caters to top markets like the US, Europe, Hong Kong, China, the Middle East, Russia, and other countries. The GJEPC has been instrumental in increasing our exports in the Gem and Jewellery sector, over the past few decades, and it has continued to do so, especially during the pandemic by organising various virtual initiatives, which has helped the industry to recover exports to the COVID levels in the last few months.

# Bosch opens largest car service network

Chennai, Jan 19: Bosch Automotive Aftermarket inaugurated one of the largest Bosch Car Service (BCS) facilities in Panchkula, as part of workshop chain network expansion drive. The workshop was inaugurated by Mr. Anjan Kumar, Regional President - Automotive Aftermarket, Bosch India on Monday, 18th January 2021. The multi-brand car service concept from Bosch, with a global presence spanning 100 years, currently has about 250 service touchpoints across India. Partnered with M/S Speed Links, this multi-brand service concept joins the world's largest workshop network with a global footprint of more than 15000 workshops across 150 countries. Addressing the need created by increasing customer demands for quality service and genuine parts for mass brands and premium segment cars,

technologically advanced products, growing pre-owned car sales and the number of cars running on Indian roads out of the OE warranty, Bosch Automotive Aftermarket Division, after adding 100 workshops to its network, further plans to expand its network count by targeting

significant growth in 2021 and beyond, thereby continuing the remarkable success story of Bosch Car Service in India. Speaking at the inauguration, Mr. Anjan Kumar, Regional President - Automotive Aftermarket, Bosch India said, "We welcome Mr.

Sunil Goyal and his energetic team to our growing family of Bosch Car Service and take pleasure in inaugurating this world-class facility which brings us closer to the car owners in the Tri-City"

# Quick Heal invests in Israel based L7 Defense

Chennai, Jan 19: Quick Heal Technologies Limited, one of the leading providers of IT Security and Data Protection solutions for consumers, businesses, and government, has signed a definitive agreement to invest USD 2 million in L7 Defense. L7 is an Israel based cybersecurity start-up specializing in Application Program Interface (API) Security and Next Generation Web Application Firewall (NG-WAF). Quick Heal Technologies had invested USD 300k in L7 Defense

in the previous financial year. Since Quick Heal's previous investment, L7 Defense has acquired customers in financial, telecom and IT industries across US and Europe. Moreover, the investment enables strategic alignments between both the companies for Quick Heal Technologies to expand its range of enterprise solutions under the 'Secrite' umbrella and introduce L7's flagship products in market stronghold of India as well as other regions in

APAC and EMEA. Dr. Kailash Katkar, Managing Director and Chief Executive Officer, Quick Heal Technologies, said, " L7 Defense has proven its unique capabilities in the area of API Security and NG-WAF which led us to further increase our investment. Simultaneously, this move enables 'Secrite' to foray into application security and strengthen our solution stack to secure modern enterprises against the next-generation of cyber-attacks."

# Plastic Packaging Expo 'Plastiworld' begins

Chennai, Jan 19: Aimed at generating business worth Rs 1000 crore with participating stakeholders from as many as 68 countries, registration of 12,000 plus visitors, the biggest ever virtual plastic packaging exhibition Plastiworld is being organized from January 19, 2021. This mega event has been conceptualized by the All India Plastics Manufacturers Association (AIPMA) one of the oldest & largest apex bodies of the plastic industry in India with more than 20,000 industry members from all over India. The members represent more than 175 cities in various segment of the industry.

Plastiworld is India's leading trade show for finished plastic product manufacturers and buyers enabling them to meet, connect, and grow together. Main objective of the virtual exhibition and B2B event is to increase exports of plastic products from India and also to ensure reduction of imports of such products thereby helping the industry to become 'Atmnirbhar'. The mega event is supported by the Department of Chemicals and Petrochemicals, Ministry of Commerce and Industry, Govt of India, CIPET and 15 major associations and institutions in the country. The event will connect

Plastic buyers from major importing countries with plastics manufacturing companies in India. Indian plastics manufacturers would get the opportunity to globally launch new products, explore new markets and promote their products through this initiative. This would also help industries in plastics sector to interact with key decision makers to build customer relationships towards potential market penetration as well. Ajay Desai, Chairman, Plastiworld 21, said, "Packaging is the 5th largest sector in India's economy and is one of the highest growing sectors in the country. However, the time has come for the Indian Plastic Packaging Industry

to create an even bigger impact and scale new heights. Our innovative and unique virtual event will help the Industry do just that!" Desai added that from Plastiworld the organisation expecting business worth of Rs.1000 crore. Chandrakant Turakhia, President AIPMA said, "We aim to create unlimited opportunities for packaging buyers and plastic packaging manufacturers in terms of networking, great deals, branding and discovering packaging innovations. Our event will also help companies from outside India to find packaging manufacturers in India, thereby facilitating export enhancement and import substitution."
